

SOBRE

A passionate Software Engineer and Graphic Designer who likes to think that every skill that we have can be used to make the world a better place to live.

EXPERIÊNCIAS

Front End Developer Aug 2018 - present
Oowlish Technology

I have been working at Oowlish for the past 2 years, as a Front End Developer, with JavaScript, React, Styled Components, etc. Also I have done some UI/UX work, but most of the time I work only as a developer.

Front End Developer and Graphic Designer Dec 2016 - Nov 2017
Easy Communication & Technology

At Easy, I worked splitting my time between Front End Developer and Graphic Designer. The technology that was used to build our applications was ASP.NET, some html and CSS.
